## Churchill Court Catering

We are a small family owned business, which has been servicing the area for over 25 years. Our reputation is built around our food quality and our exceptional service.

We understand that times are changing and that it is getting harder for people to get out of the office and factory for a quick fresh lunch (hot or cold) so we have decided to bring it to you.

We offer a quality lunch van service with food being restocked several times a day to maintain freshness and quality.

Our snack bar specializes in office catering delivered free of charge to you. As well as fresh made to order lunch deliveries delivered to you free of charge with orders greater than \$15.00.
